Bearings

PBIS is the only company in South Mississippi that stocks a FULL LINE of Radial Ball Bearing, Angular Contact Bearings, Oil Seals and Mounted Units (Pillow Block, Flange, etc). We carry an extensive line of Taper Roller Bearings, Cylindrical Roller Bearings, Spherical Roller Bearings, and Cam Followers. We also stock Stainless Steel Bearings and Mounted Units!

Gearing

PBIS has speed reducers IN STOCK to keep you running. We stock an extensive line of Shaft Mount (and Screw Conveyor drive) reducers, Worm Gear (Right angle) and In-line units. We have the capability to build the Nord Flexbloc line of Worm gear units and the Shimpo line of cycloidal In-line Speed reducers.

We are proud to represent these and other manufacturers:

Components

PBIS proudly Stocks as much USA-made product as we can. Along with the above components, we also A FULL LINE of V-belts and a wide variety of Sheaves. We keep a Full-Line of roller chain and a wide variety of sprockets. We also keep common motors below 50 hp, and work closely with local machine shops to get you the service you need!

We proudly Represent these and other Manufacturers:
